

This approach helps you get the most out of your reading assignments. It will help you create notes from your reading from which to study.

1.           : Carefully pre-read the chapter. Look at the title, subtitles, boldface and italics, graphs and diagrams, summary and/or conclusion, and questions at the end of the chapter.
2.           : Reading is a thinking process; inquiry makes you an active reader. Formulate questions before you read. Convert titles, subtitles, etc. into questions. WRITE THESE DOWN!
3.           : Thoroughly read the chapter and fill in the answers to your questions as you go along. Read for meaning, not only the answers.
