

FUNCTION (from the Faculty Handbook):

To represent the Faculty on administrative appointments and reviews and on faculty appointments, promotions related to the tenure process, and tenure, and to make recommendations on these matters to the appropriate administrative officer. The Administration shall consult ATC to determine which administrative personnel decisions the committee judges to require faculty representation. Special meetings with the President, the Dean of the Faculty/Vice President for Academic Affairs, and the Associate Dean of the Faculty (faculty affairs) may be called at the request of any of these administrative officers or the committee. At least one meeting of the joint trustee-faculty committee is held during each academic year. Revisions to some parts of Part One (Faculty Rights and Responsibilities) of the Faculty Handbook are reviewed by ATC for its recommendations prior to a faculty vote.

MEMBERSHIP (from the Faculty Handbook):

Seven faculty members with tenure, at least one each from the different divisions and no two from the same department, chosen from the ranks of Professor and Associate Professor, none of whom is on CAFR, PC, or FAB, elected to serve three-year terms.

A member who has served a full three-year term is eligible for re-election after being out of office for two years; members who complete an unexpired term or serve an interim term in place of a regularly elected member on leave are immediately eligible for re-election provided the service does not exceed one calendar year.
