Informational meetings were held with new tenure-track faculty, faculty appointed to their second three-year terms, candidates for promotion, and candidates for tenure at the end of their fifth year. Chairs of departments were invited to the meetings with third-year re-appointees, candidates for promotion, and candidates for tenure. The CAPT chair met separately with first-year faculty and with candidates and their chairs unable to attend the scheduled meetings. In addition, at the end of the year, CAPT met with faculty who had been tenured within the last three years to discuss promotion criteria.
