SECTION II: Additional suggestions from PC

(1) CV

◁ It is helpful to format all sections of your CV to distinguish achievements before and after receiving tenure, and/or before and after the start of your appointment at Skidmore. For example, different font colors and/or bold typeface could be used to distinguish different timeframes.

◁ If your file includes credentials from another institution, and documents from that institution may be included to document aspects of teaching, scholarly/creative work, and/or service that may not be detailed in your CV.

(2) External and internal letters

◁

◁ It is helpful to construct a chronological list of the ten most recent semesters of teaching

may also explain what is next for you as you think to future service work. Clarity and brevity are appreciated by those who read your materials.

- ◁ It is helpful to provide an organized list of service activities and to clarify the nature of your role and your contributions to them if such information is not already included in your CV and/or Annual Reports.
- ◁ If your file includes service credentials from another institution, the statement may address whether/how the service expectations and circumstances of your prior position differed from those at Skidmore.
