

Faculty Meeting May 16, 2006

FEC Resolution

Whereas, the Skidmore community has repeatedly recognized the need for equitable and fair compensation for all College employees if we are to succeed in our educational mission; And,

Whereas, the Fiscal Year 2007 Budget for Skidmore College that the President will recommend to the Board of Trustees substantially increases faculty and staff compensation; And,

Whereas, the amount and allocation of these funds indicates the priority given to matters of compensation; And,

Whereas these funds promise to partially address inequities in compensation for College employees; Be it therefore,

Resolved, that the Faculty of Skidmore College thanks those community members who devoted so much time and effort into crafting the Fiscal Year 2007 Budget; And,

Resolved, that the Faculty of Skidmore College recognizes the proposed budget as making substantial progress towards equitable and fair compensation for College employees; And,

Resolved, that the Faculty of Skidmore College recognizes the proposed budget as necessary but not sufficient to achieve the goal of equitable and fair compensation for College employees.
