Associate	77	48	62.3%
Full	68	26	38.2%

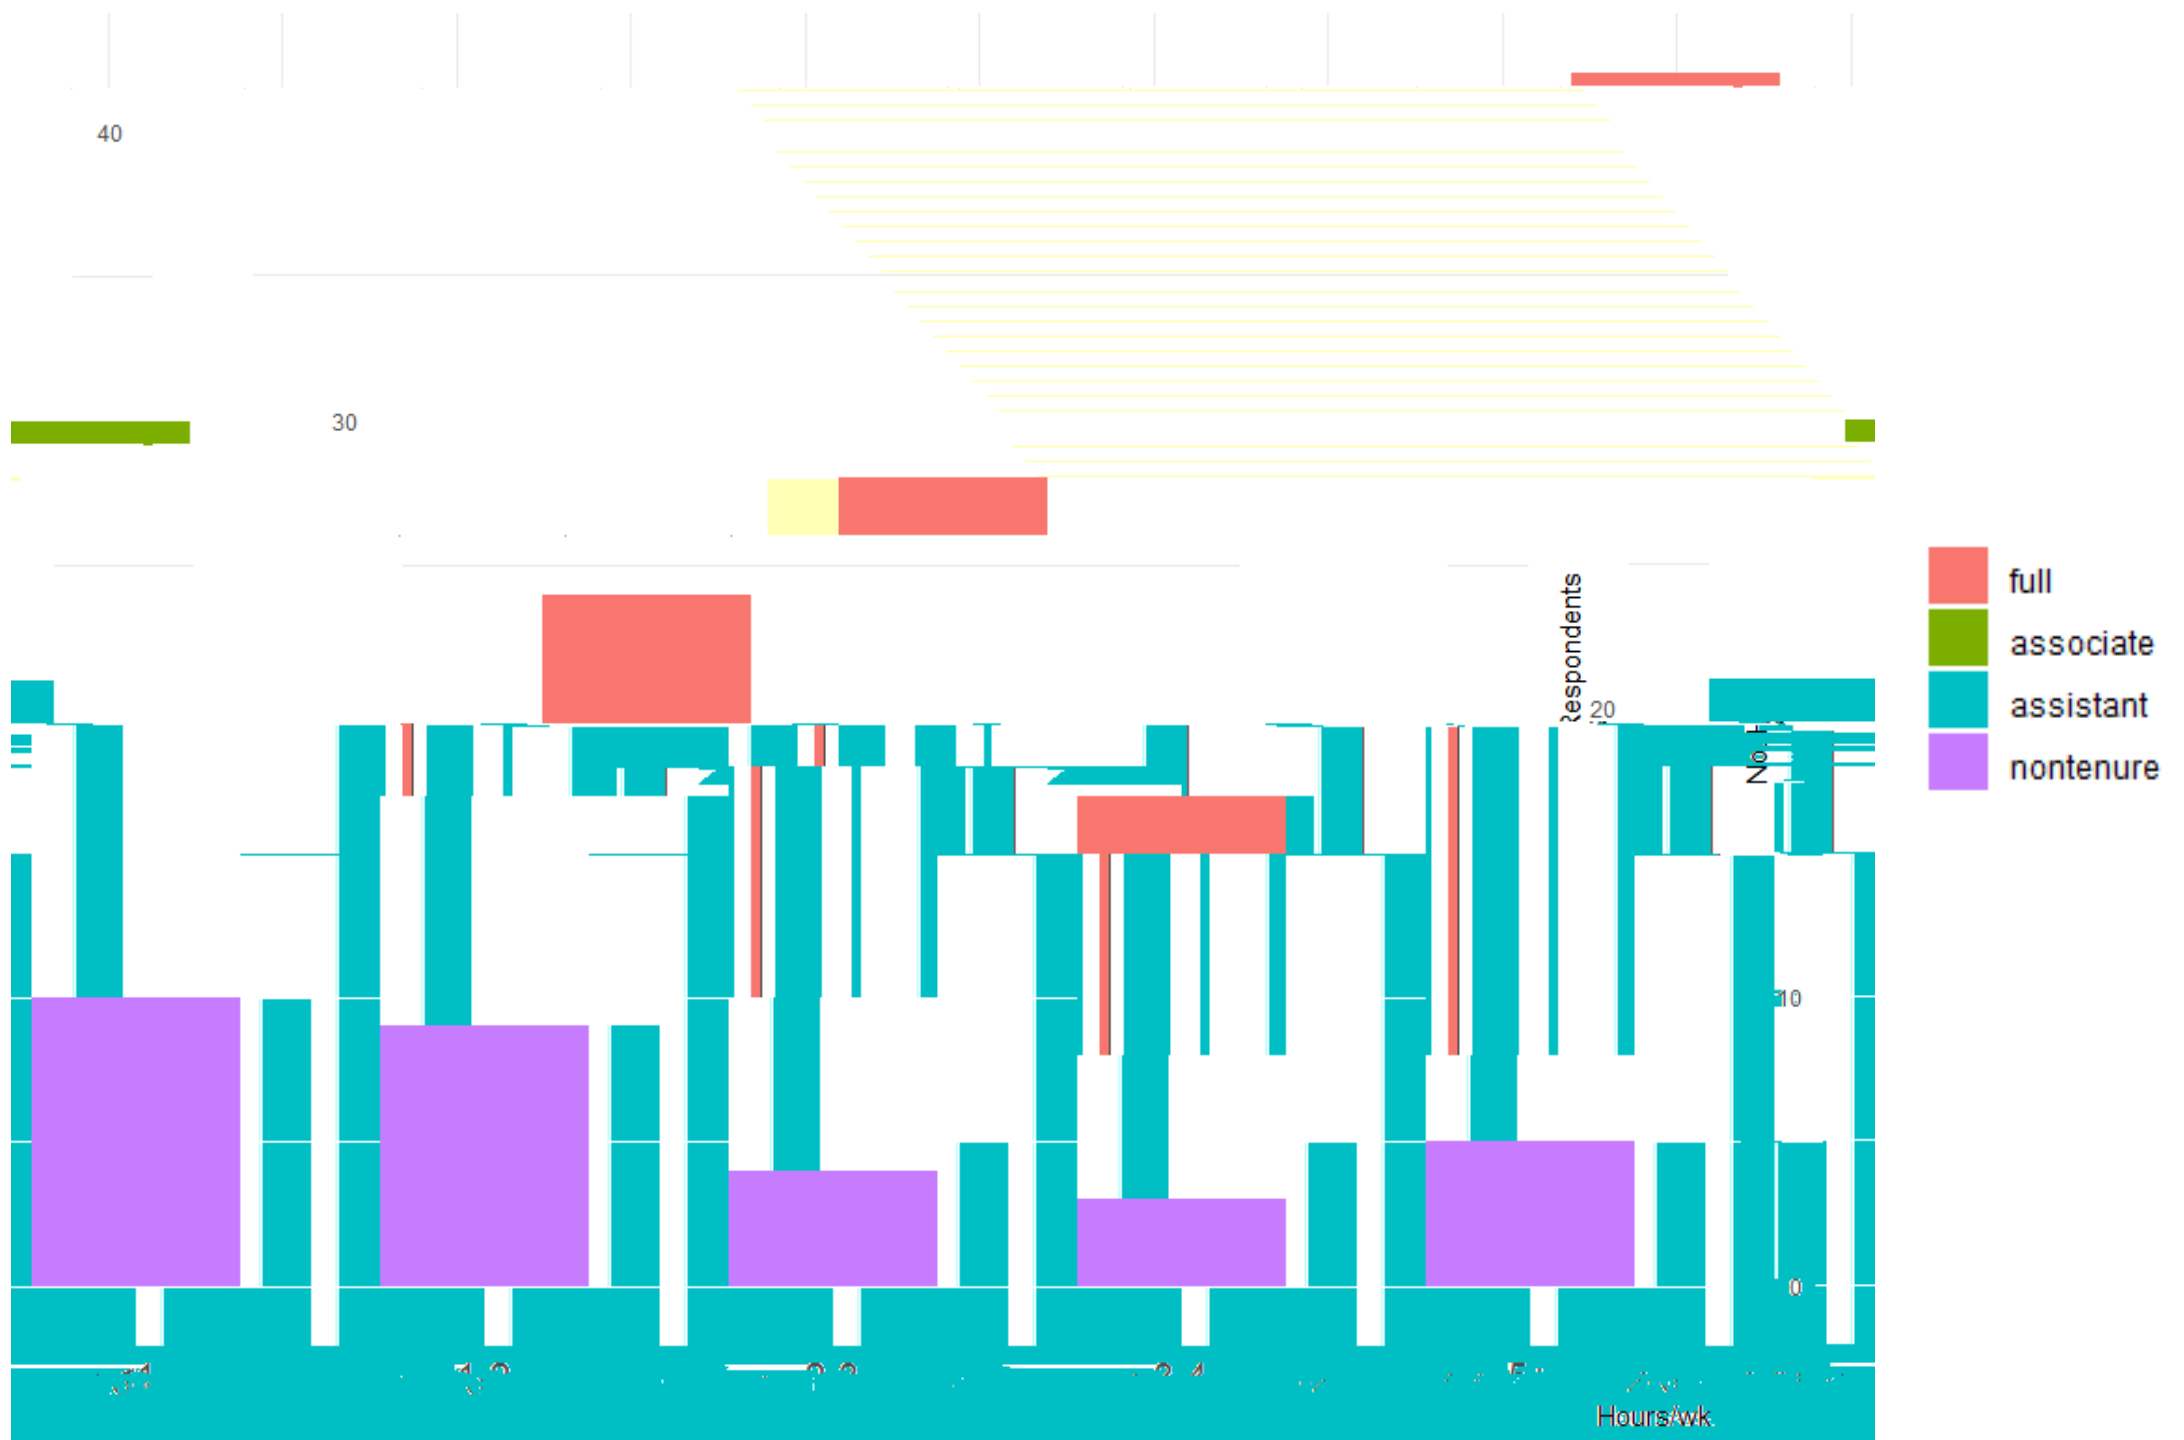

How satisfied are you with how college service (committees, task forces, working groups, department leadership, etc.) is valued?

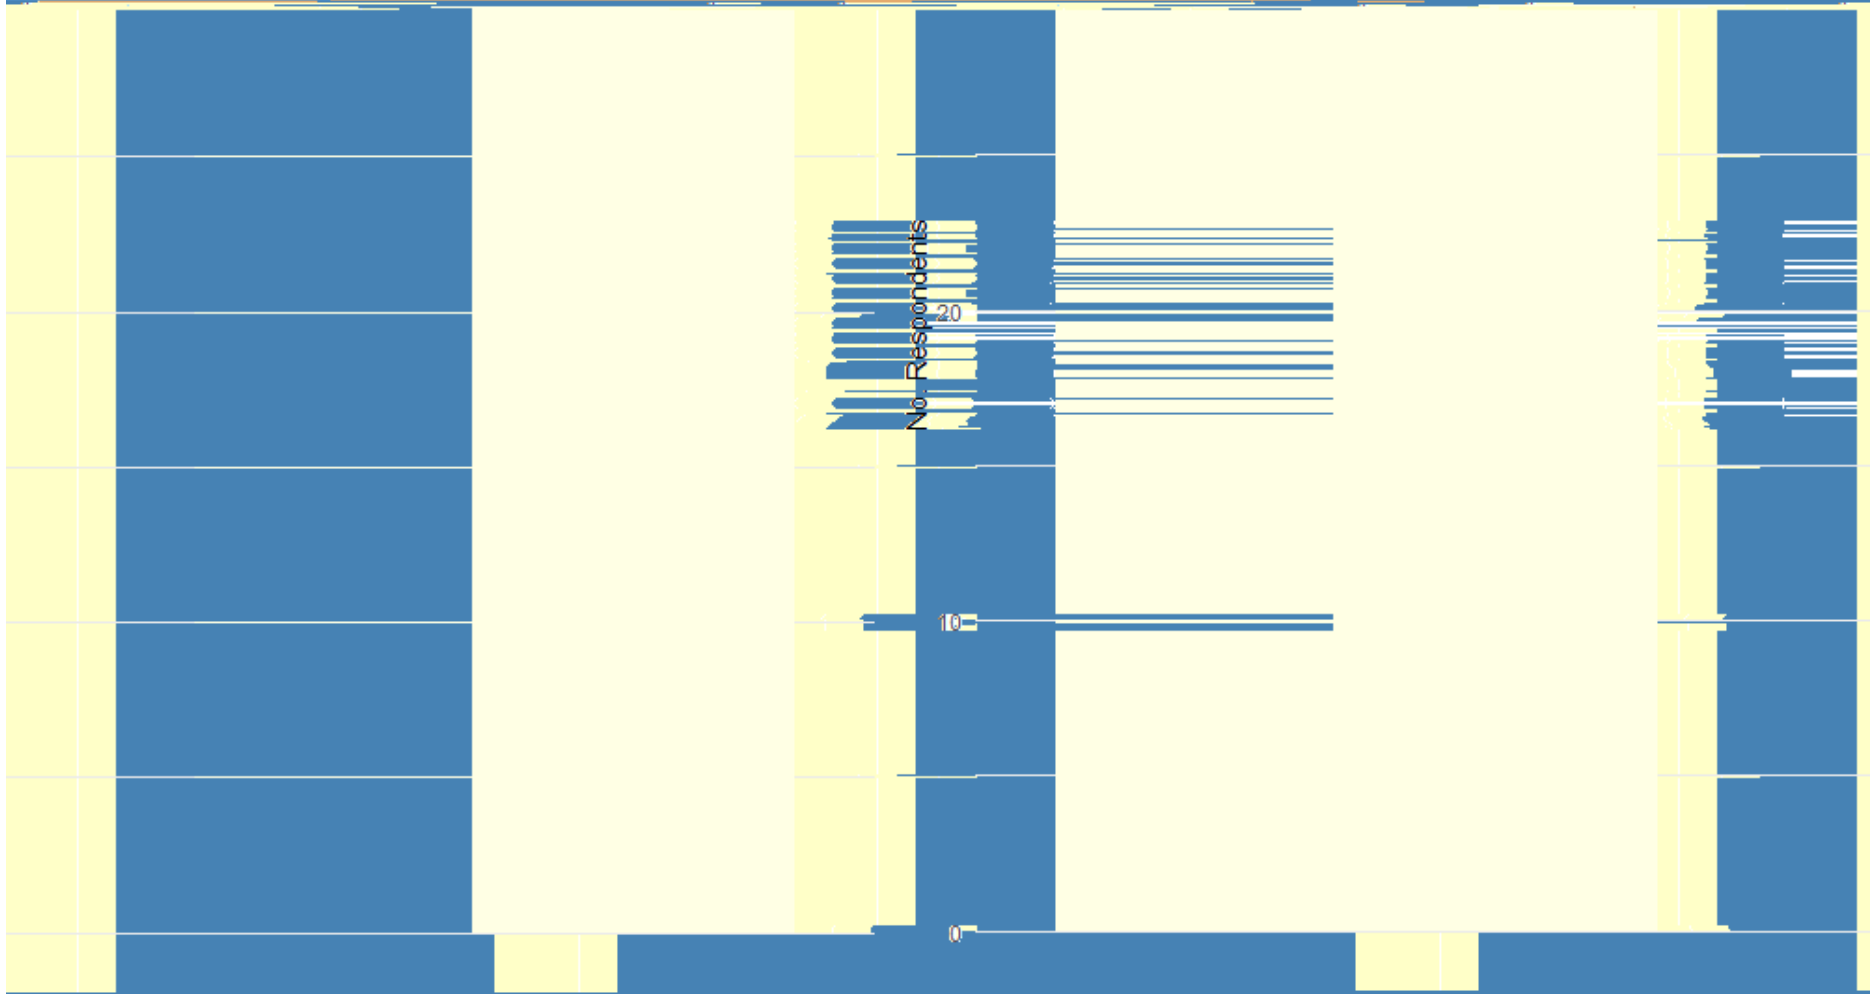

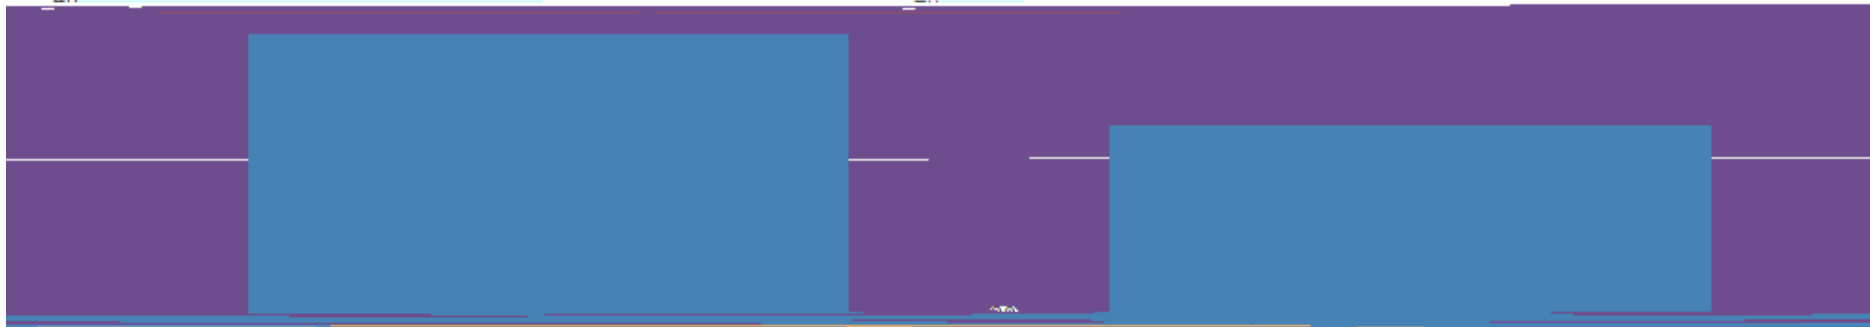

- full
- associate
- assistant
- nontenure

On average, how many hours a week do you spend on college service (including department/program chair/director, but not other departmental service)?

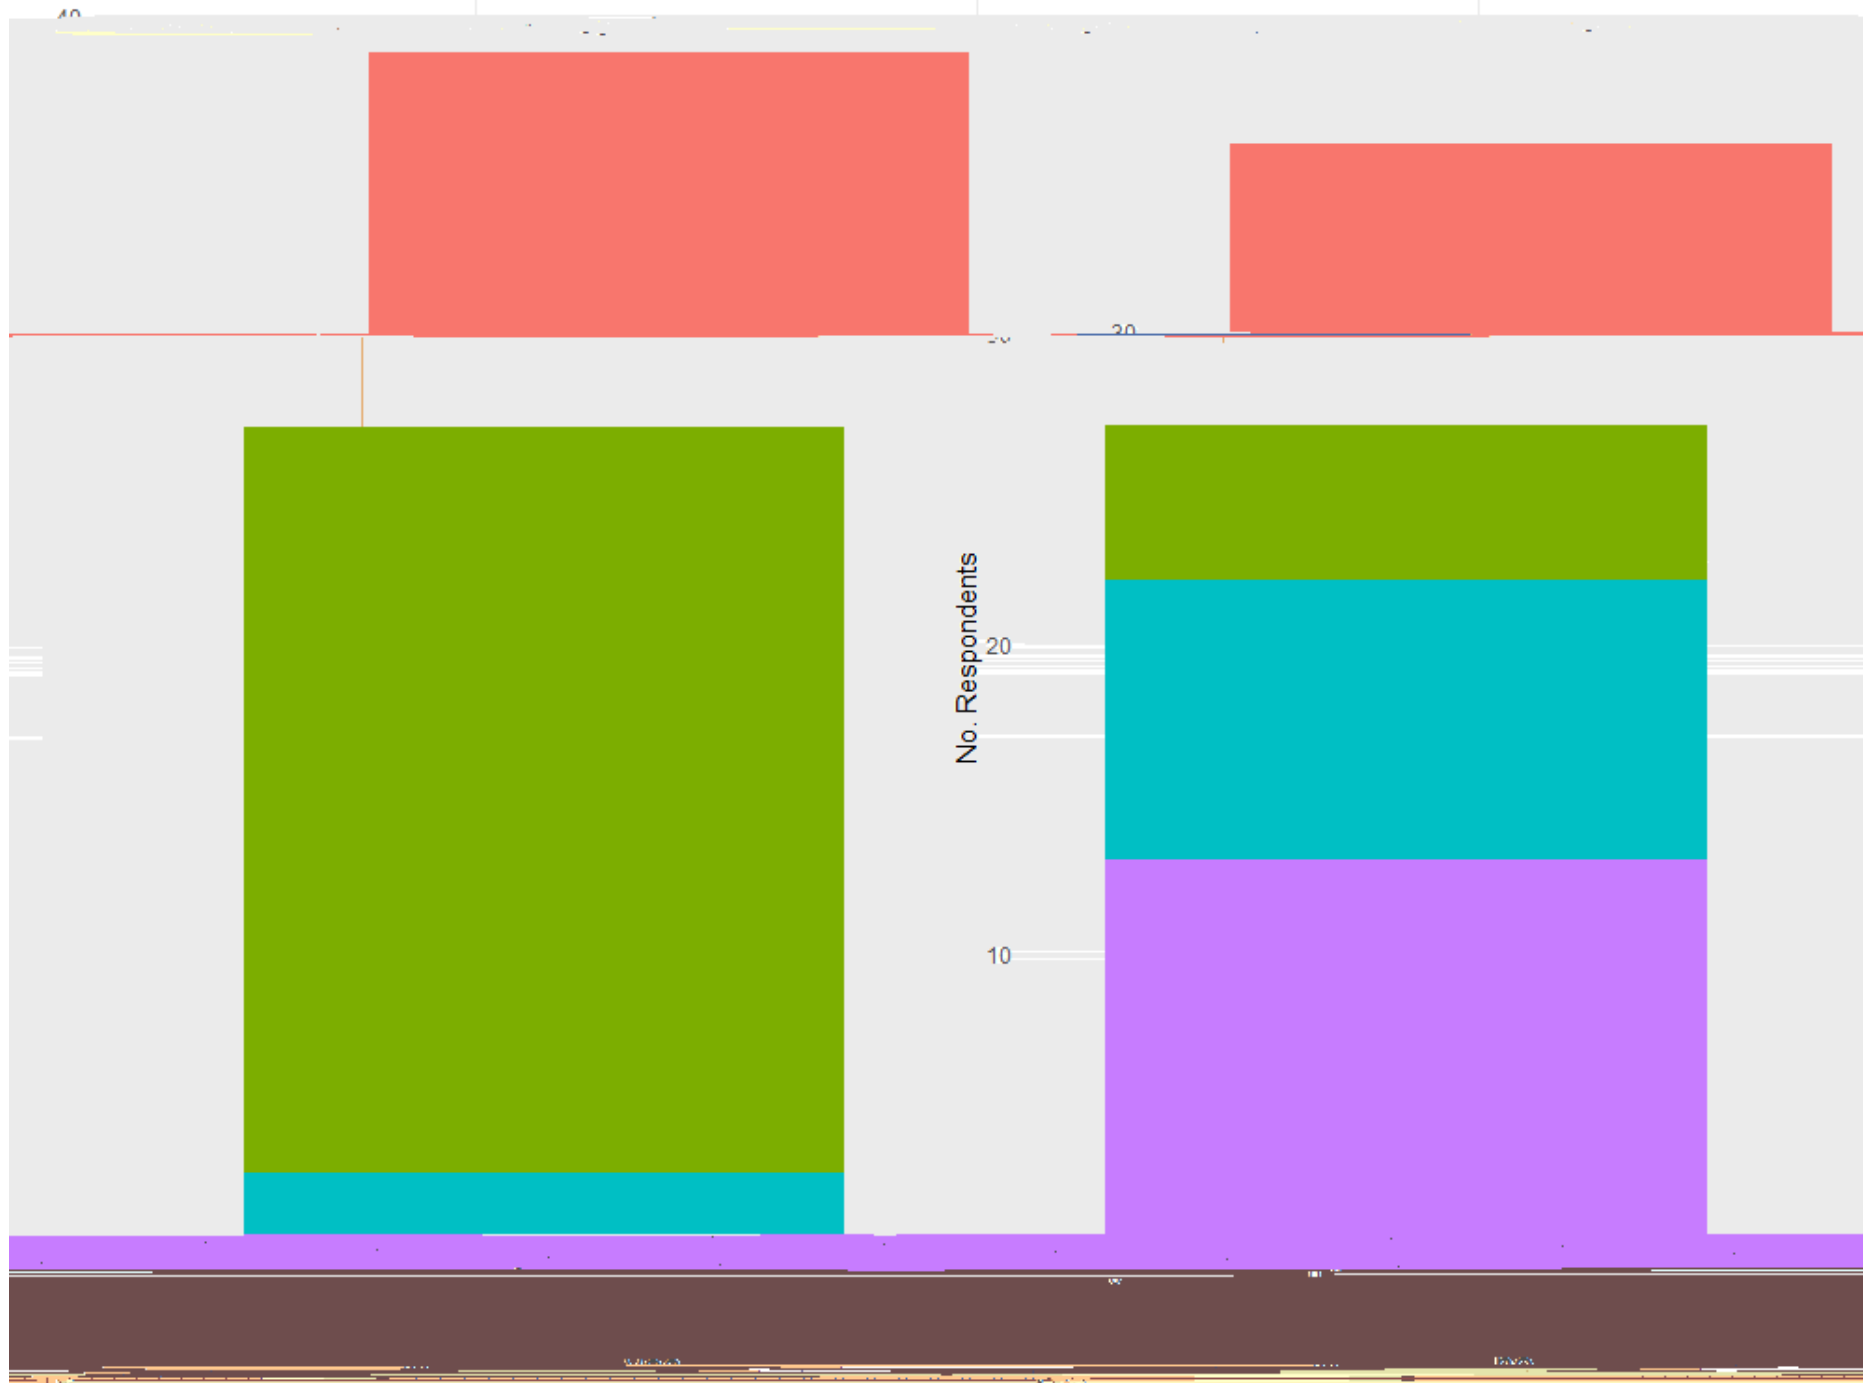

If you chose 3-5+ (D or E in previous question), are you compensated (money/course release) in any way?

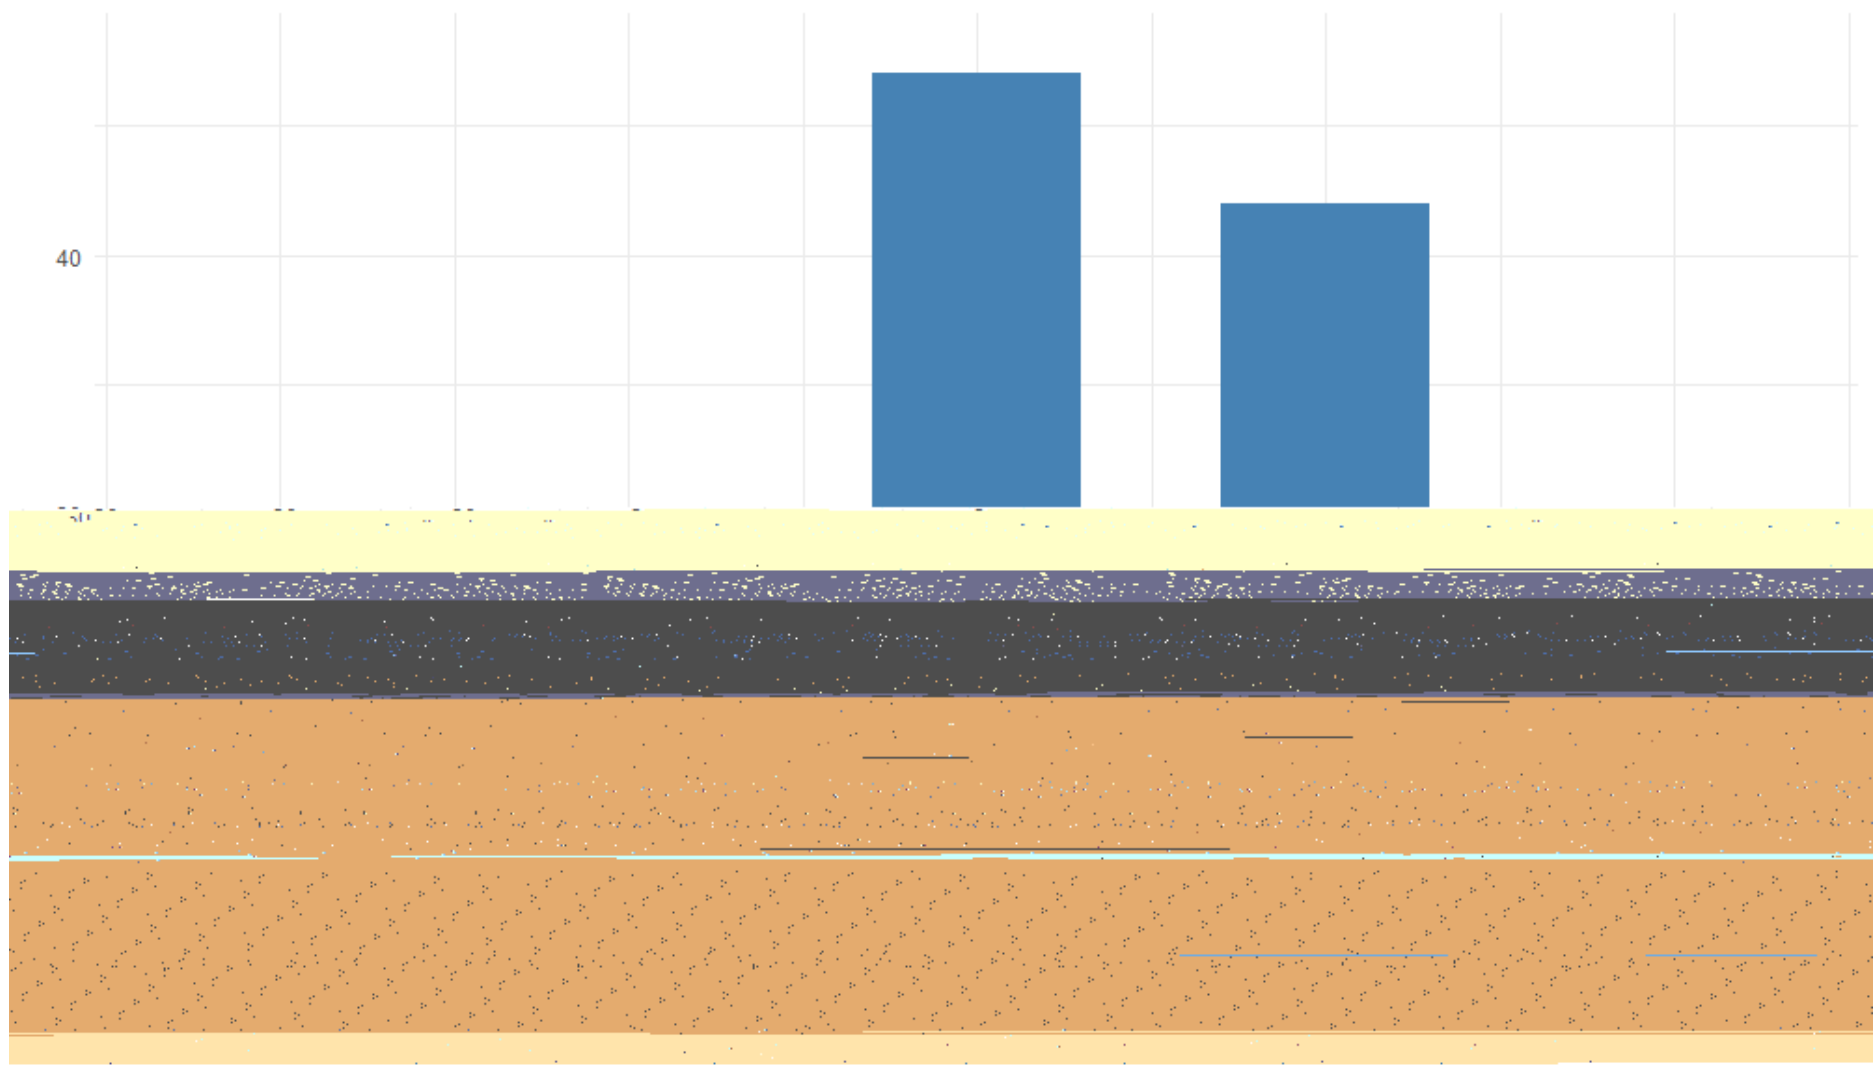

yes

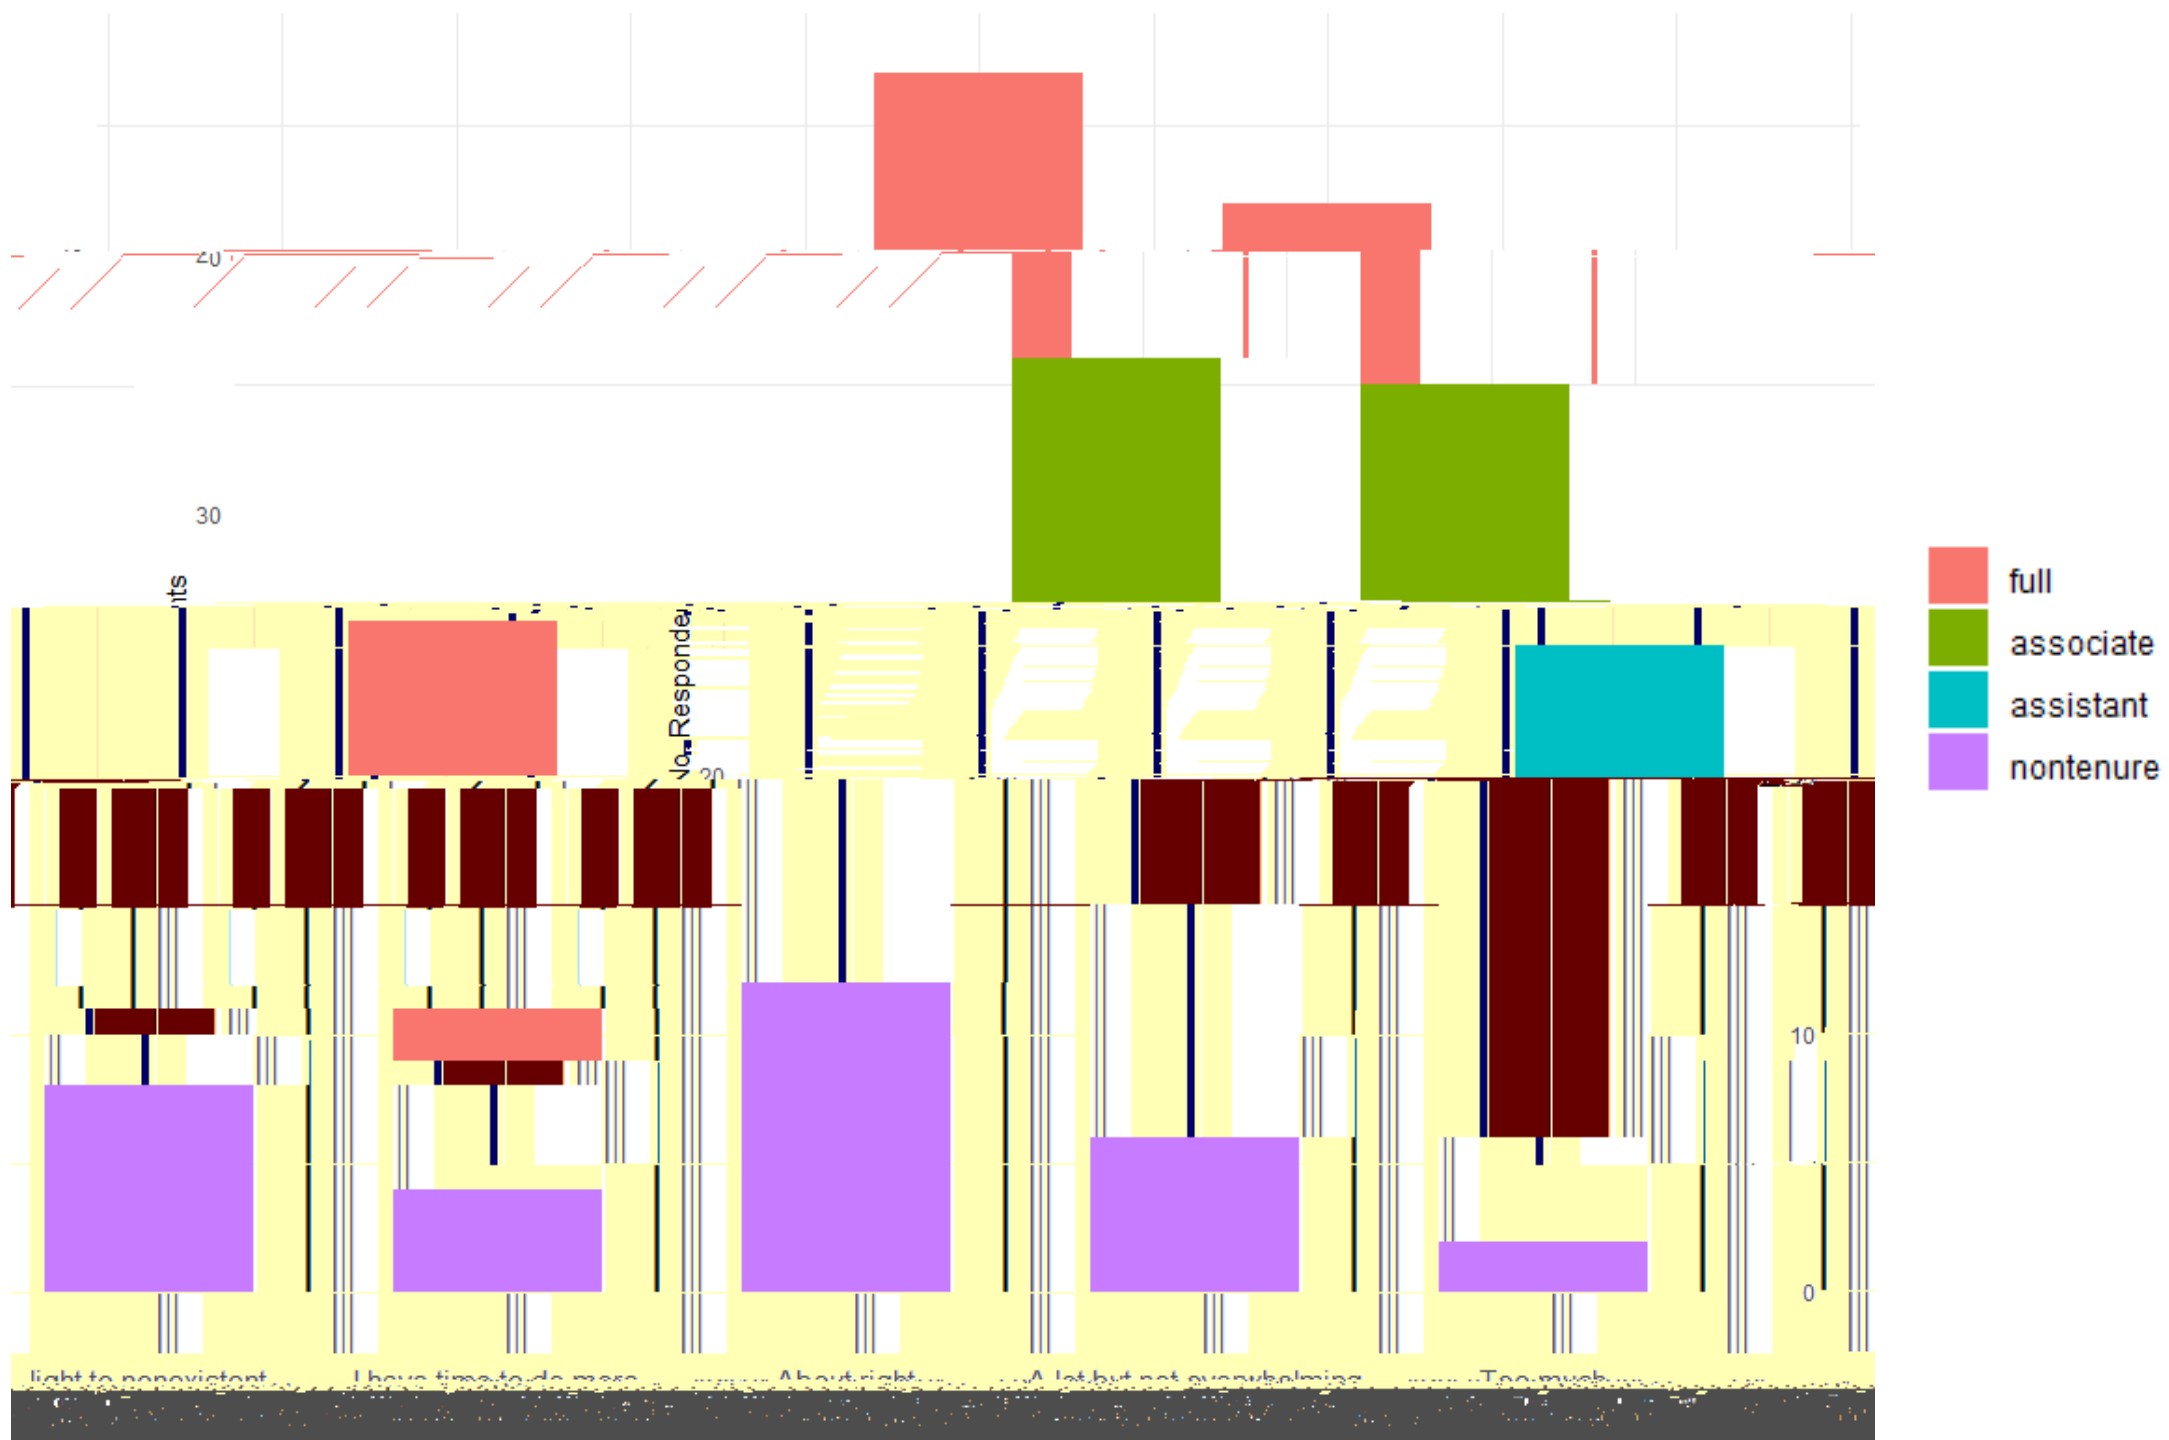

no

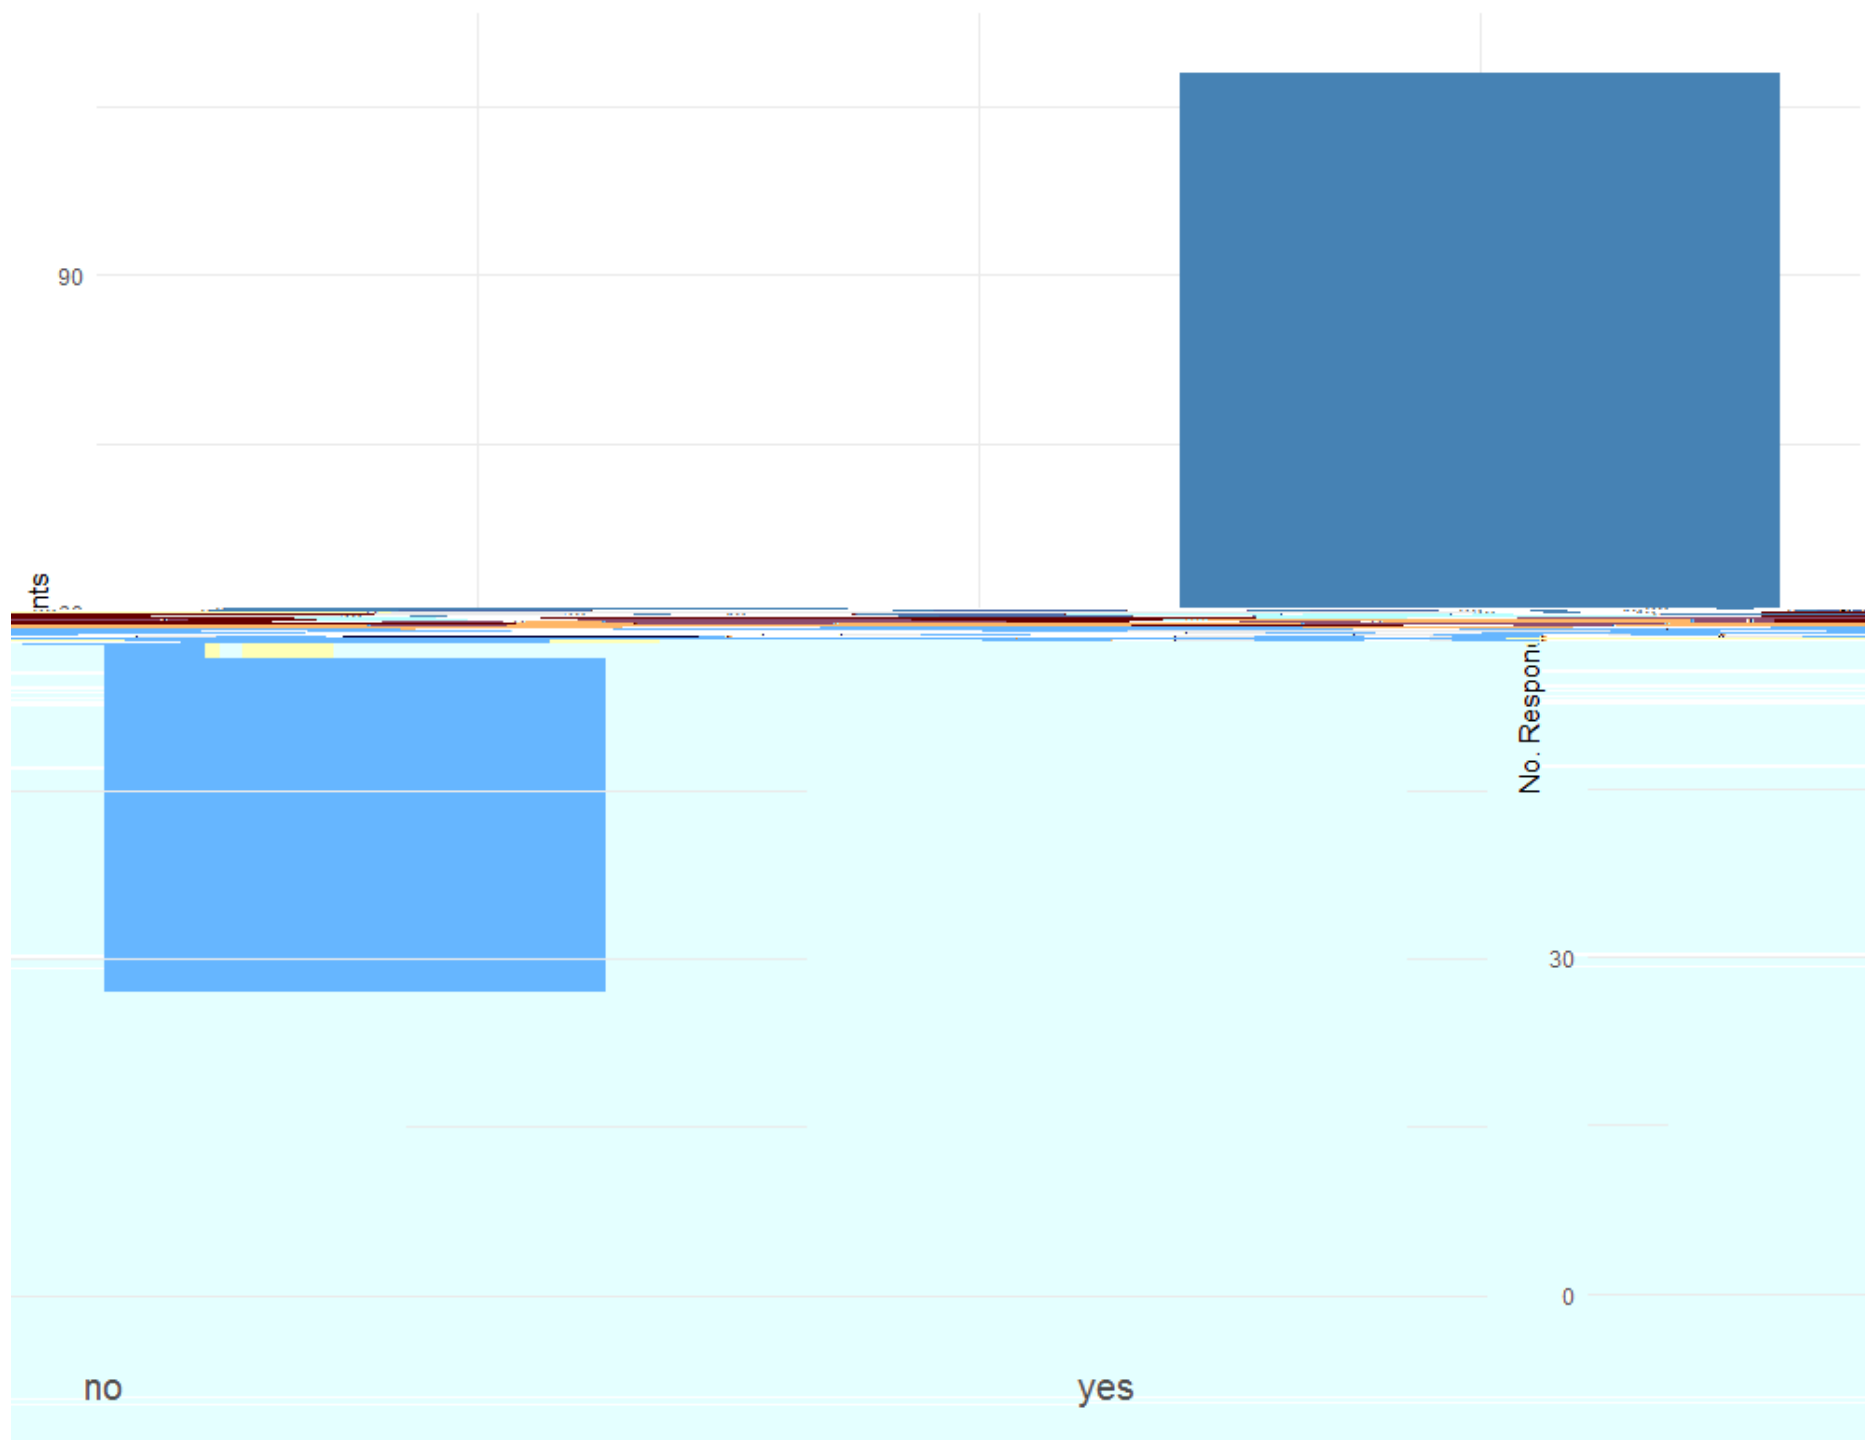

- full
- associate
- assistant
- nontenure

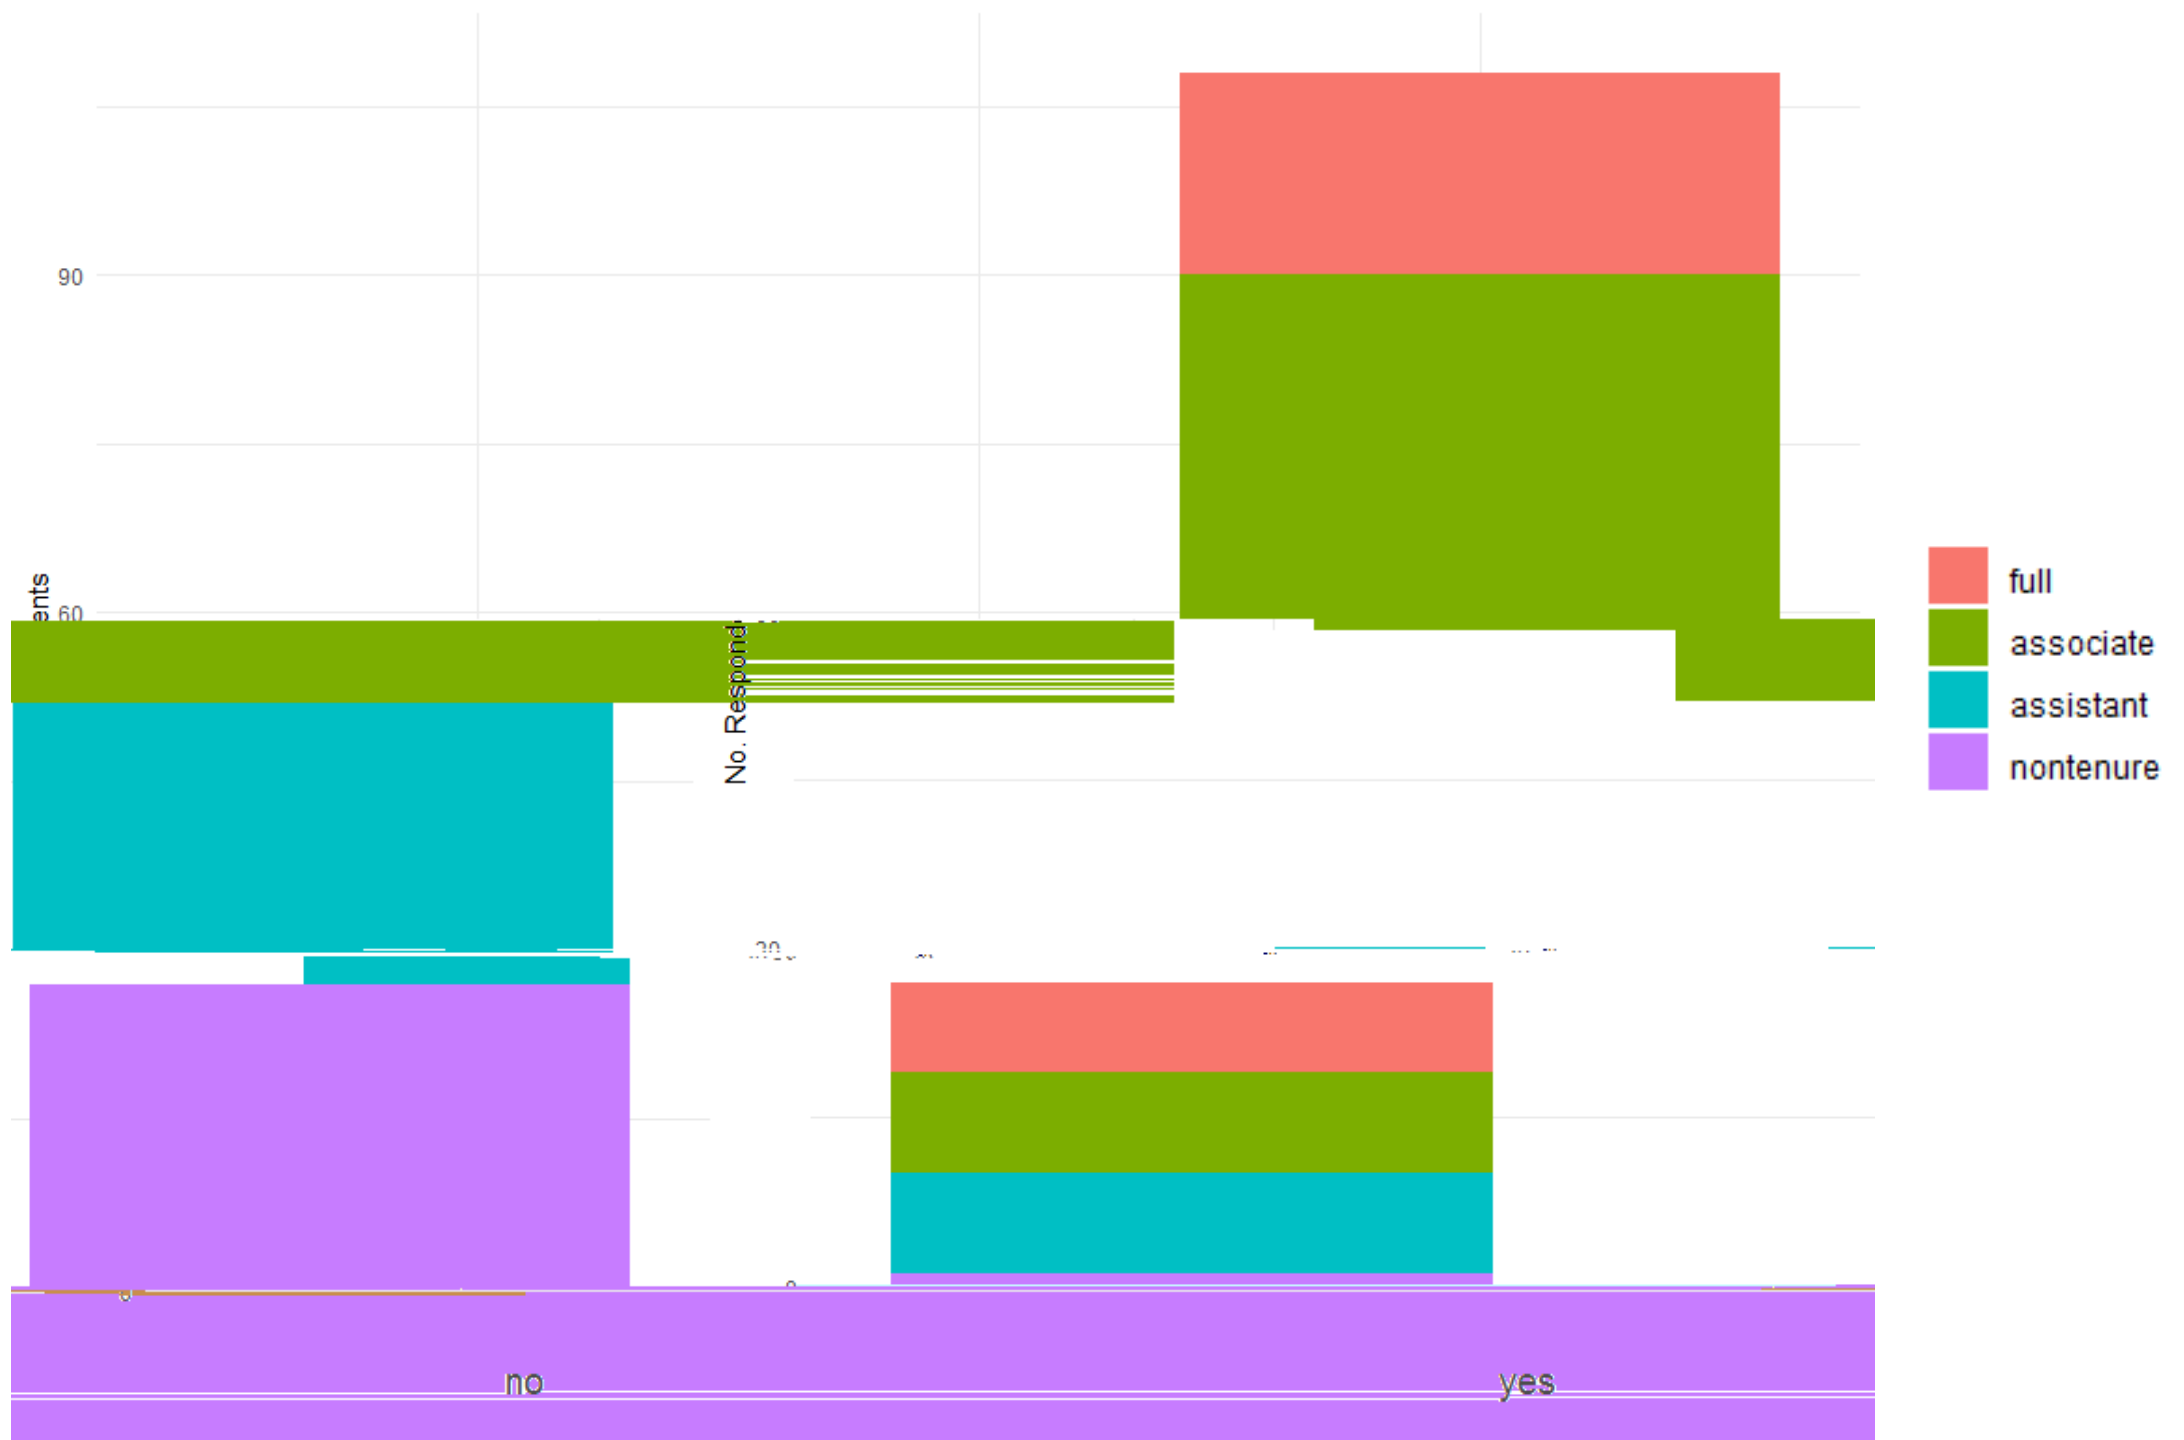

How do you feel about the time you put into college (i.e., not departmental) service?

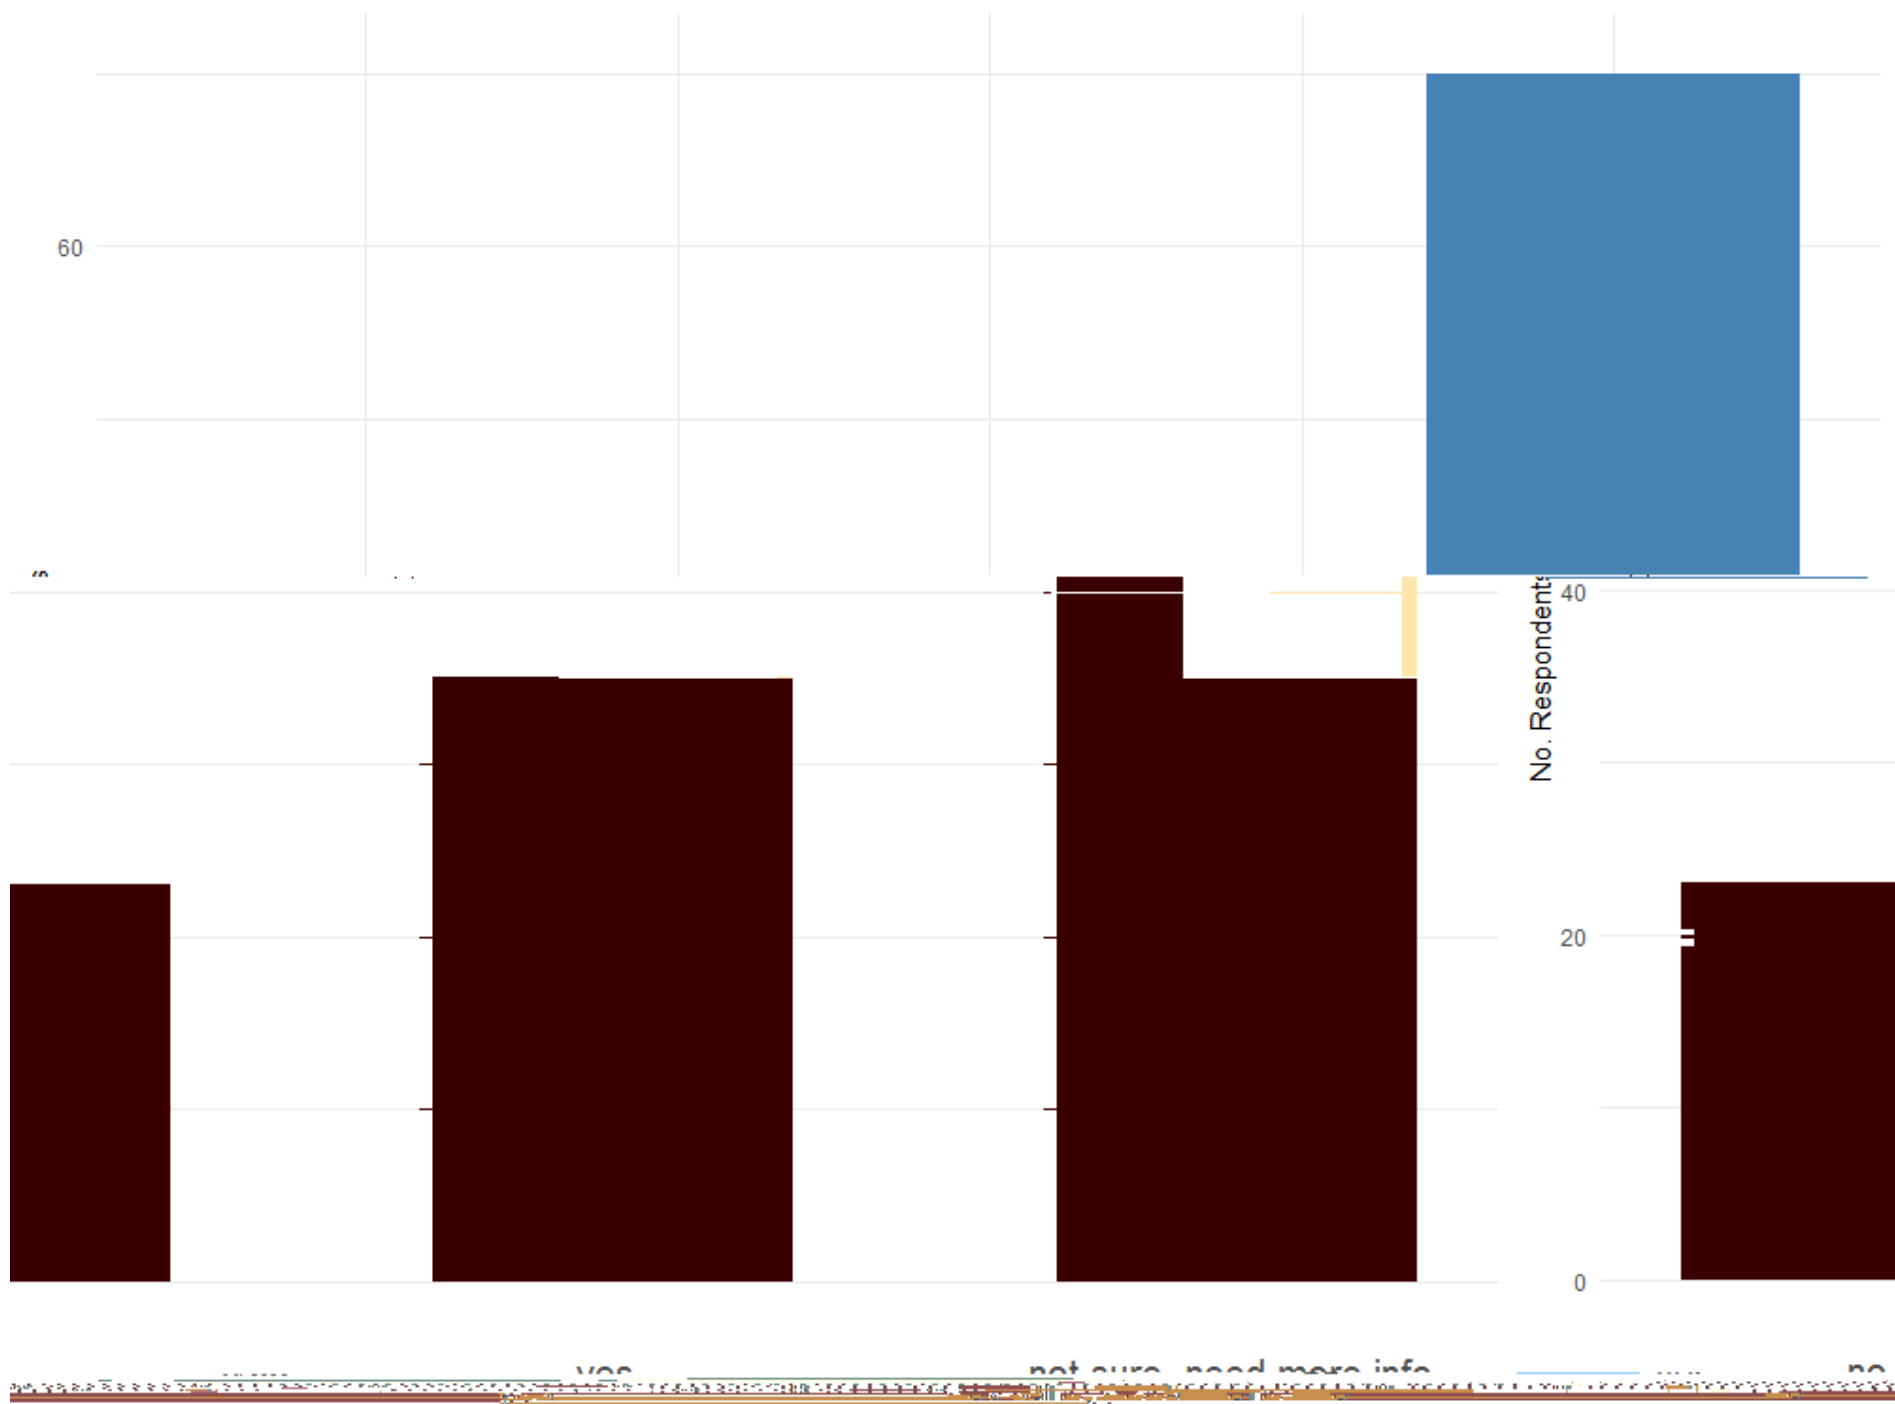

Are you interested in seeing a change to how we mandate college-wide service that would include not just governance, but potentially capture all kinds of service to the college?

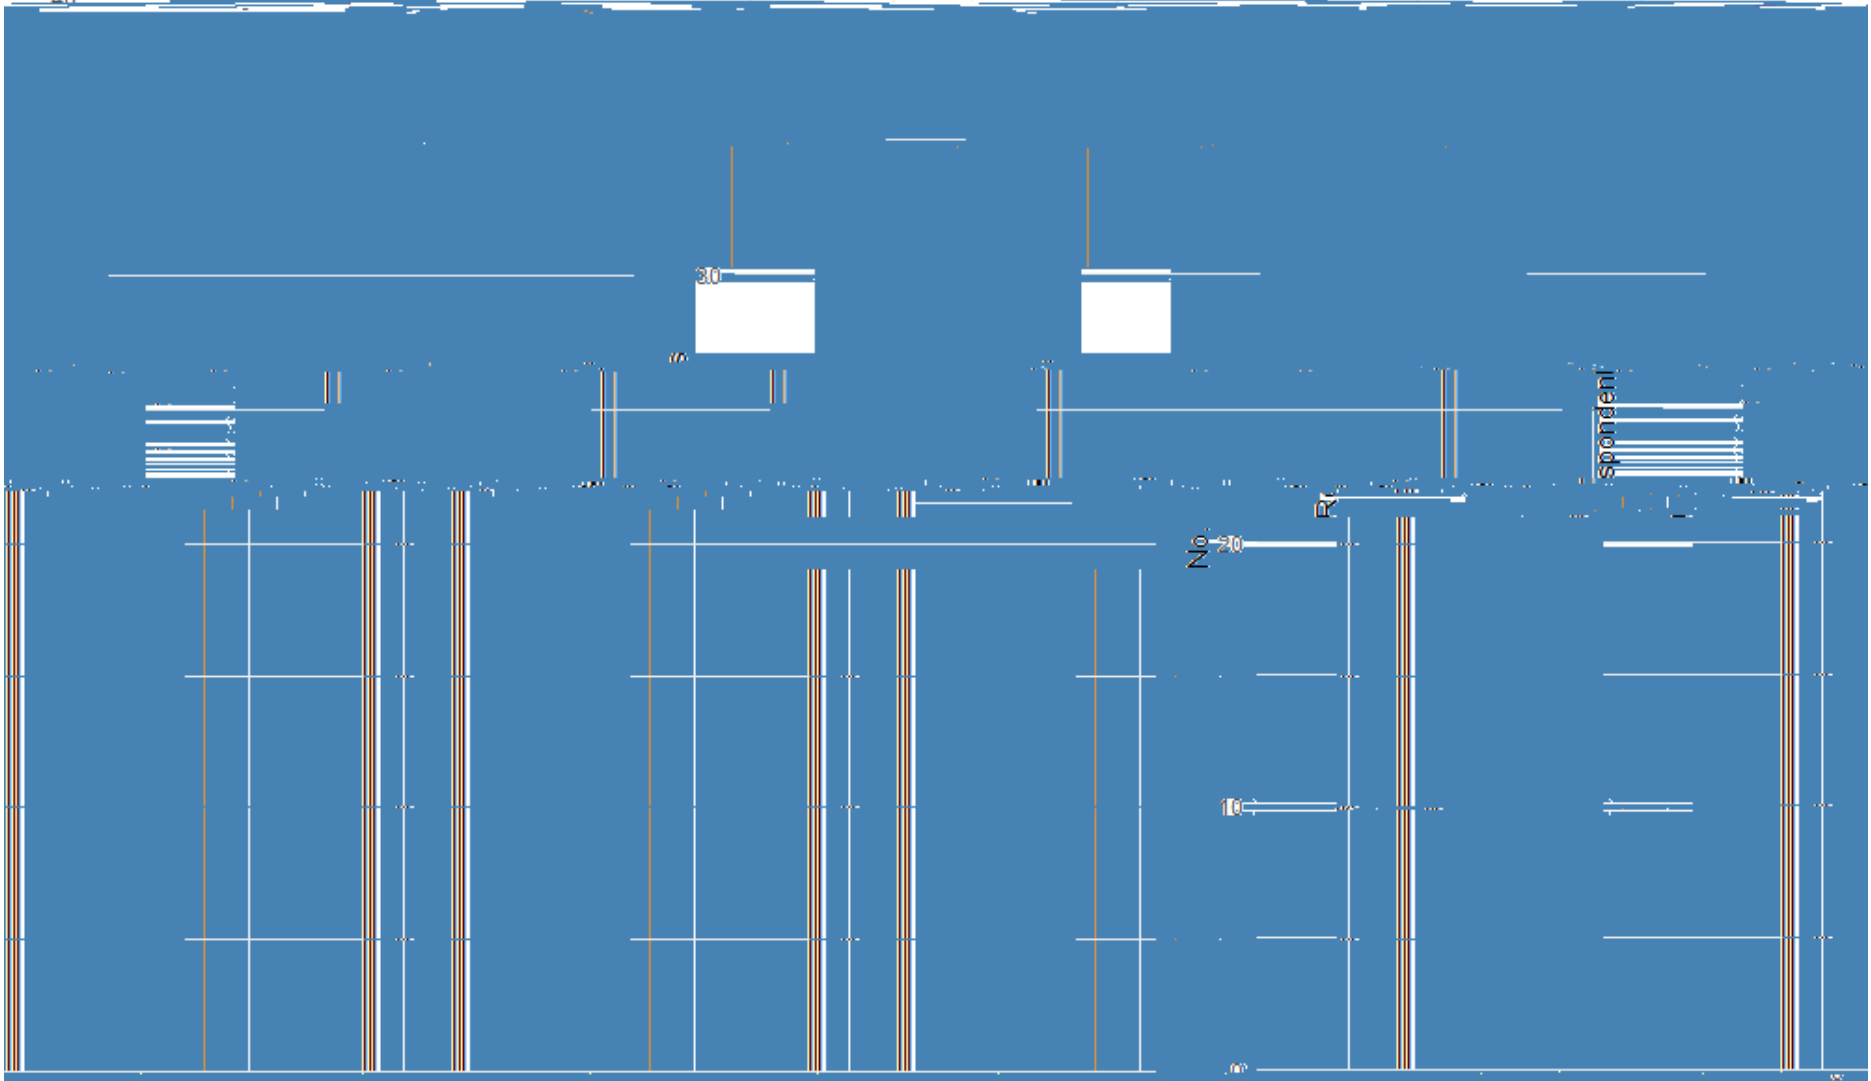

If you are interested in seeing a change to how we mandate college-wide service, are you interested in a credit-based system?

Would you be in support of shifting
service responsibility to the

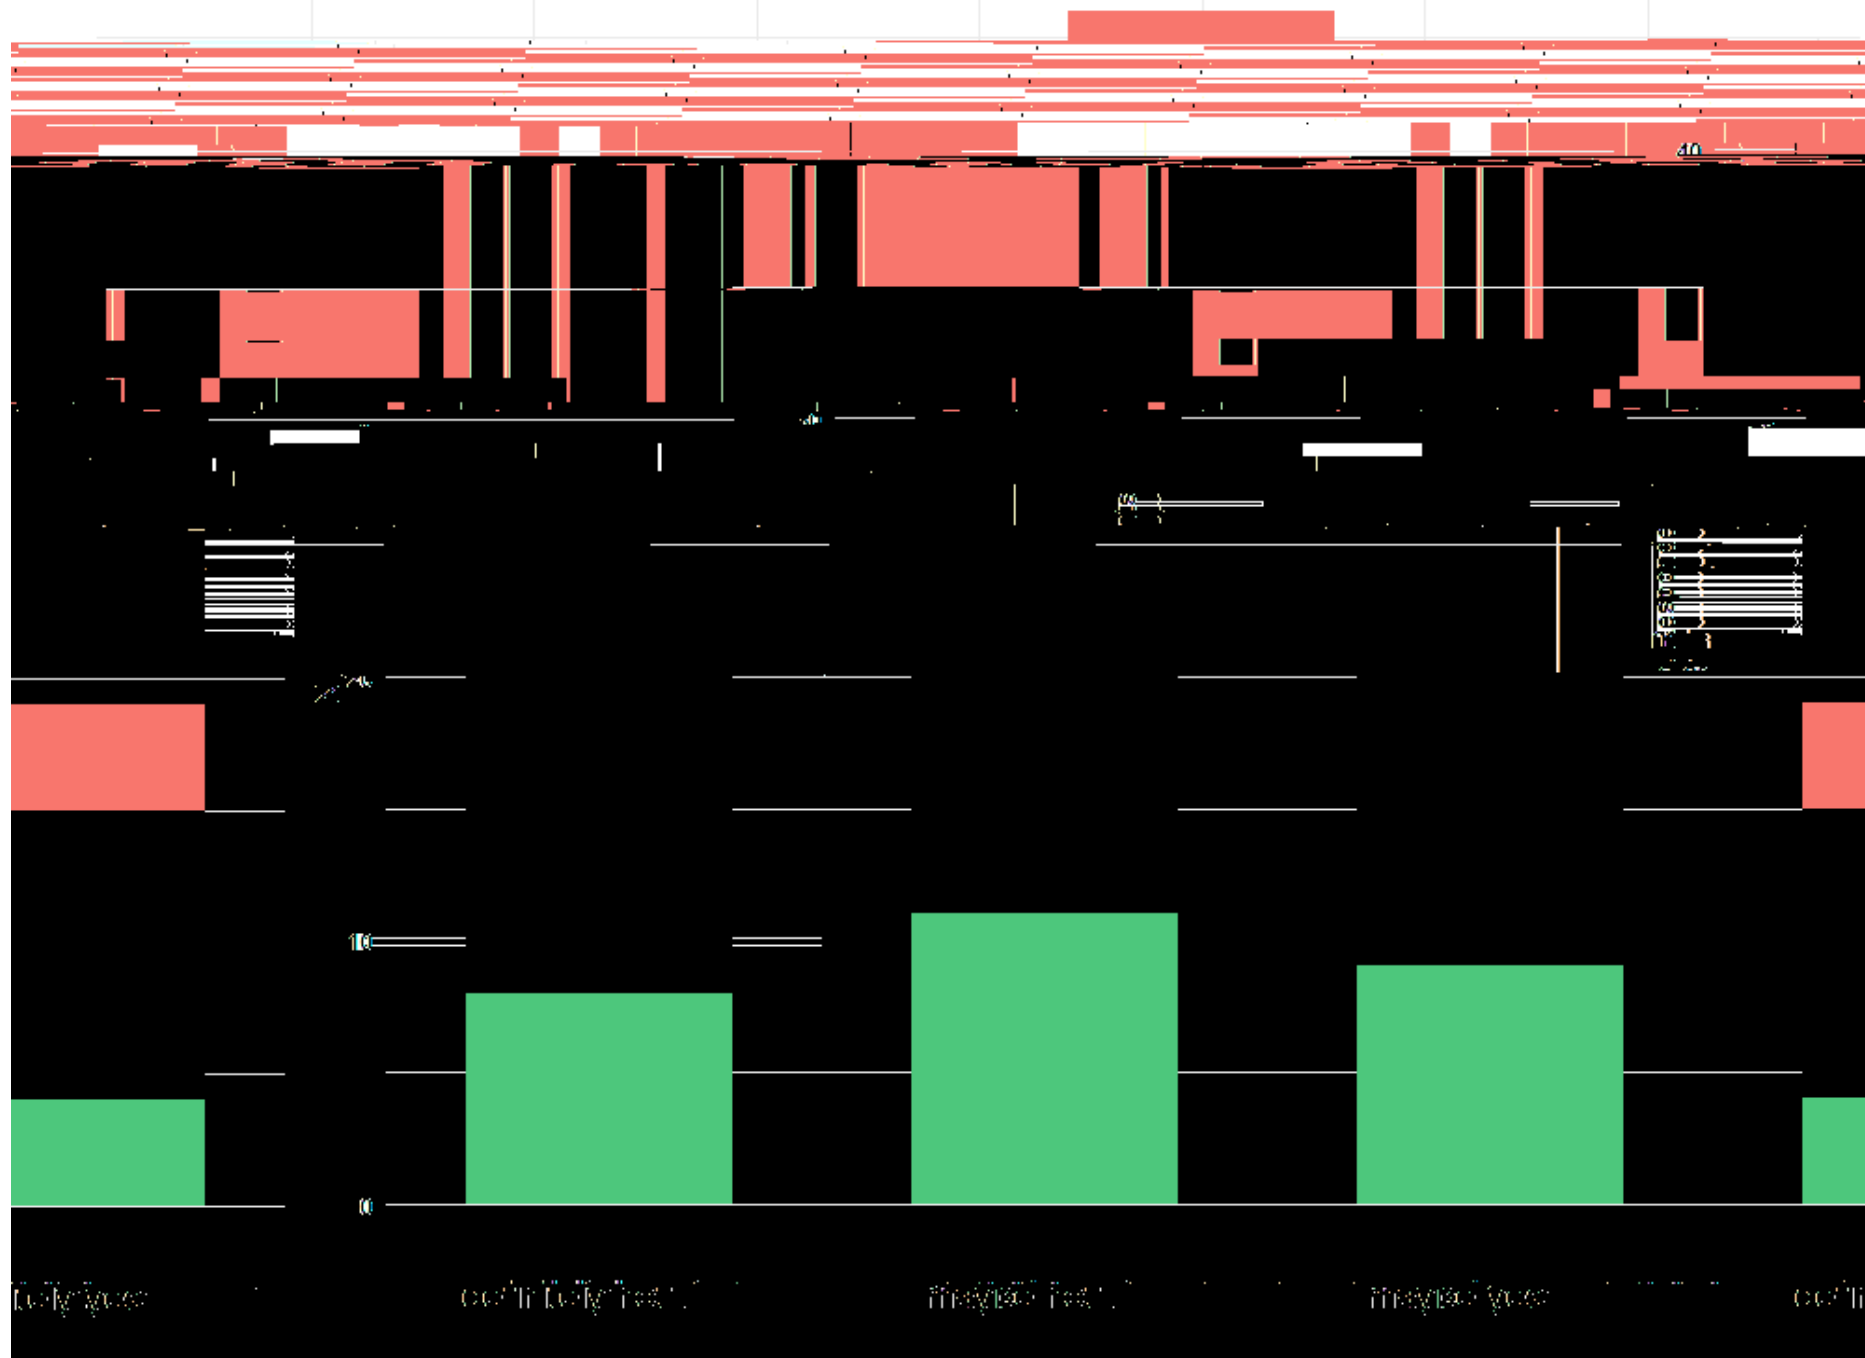

definitely not

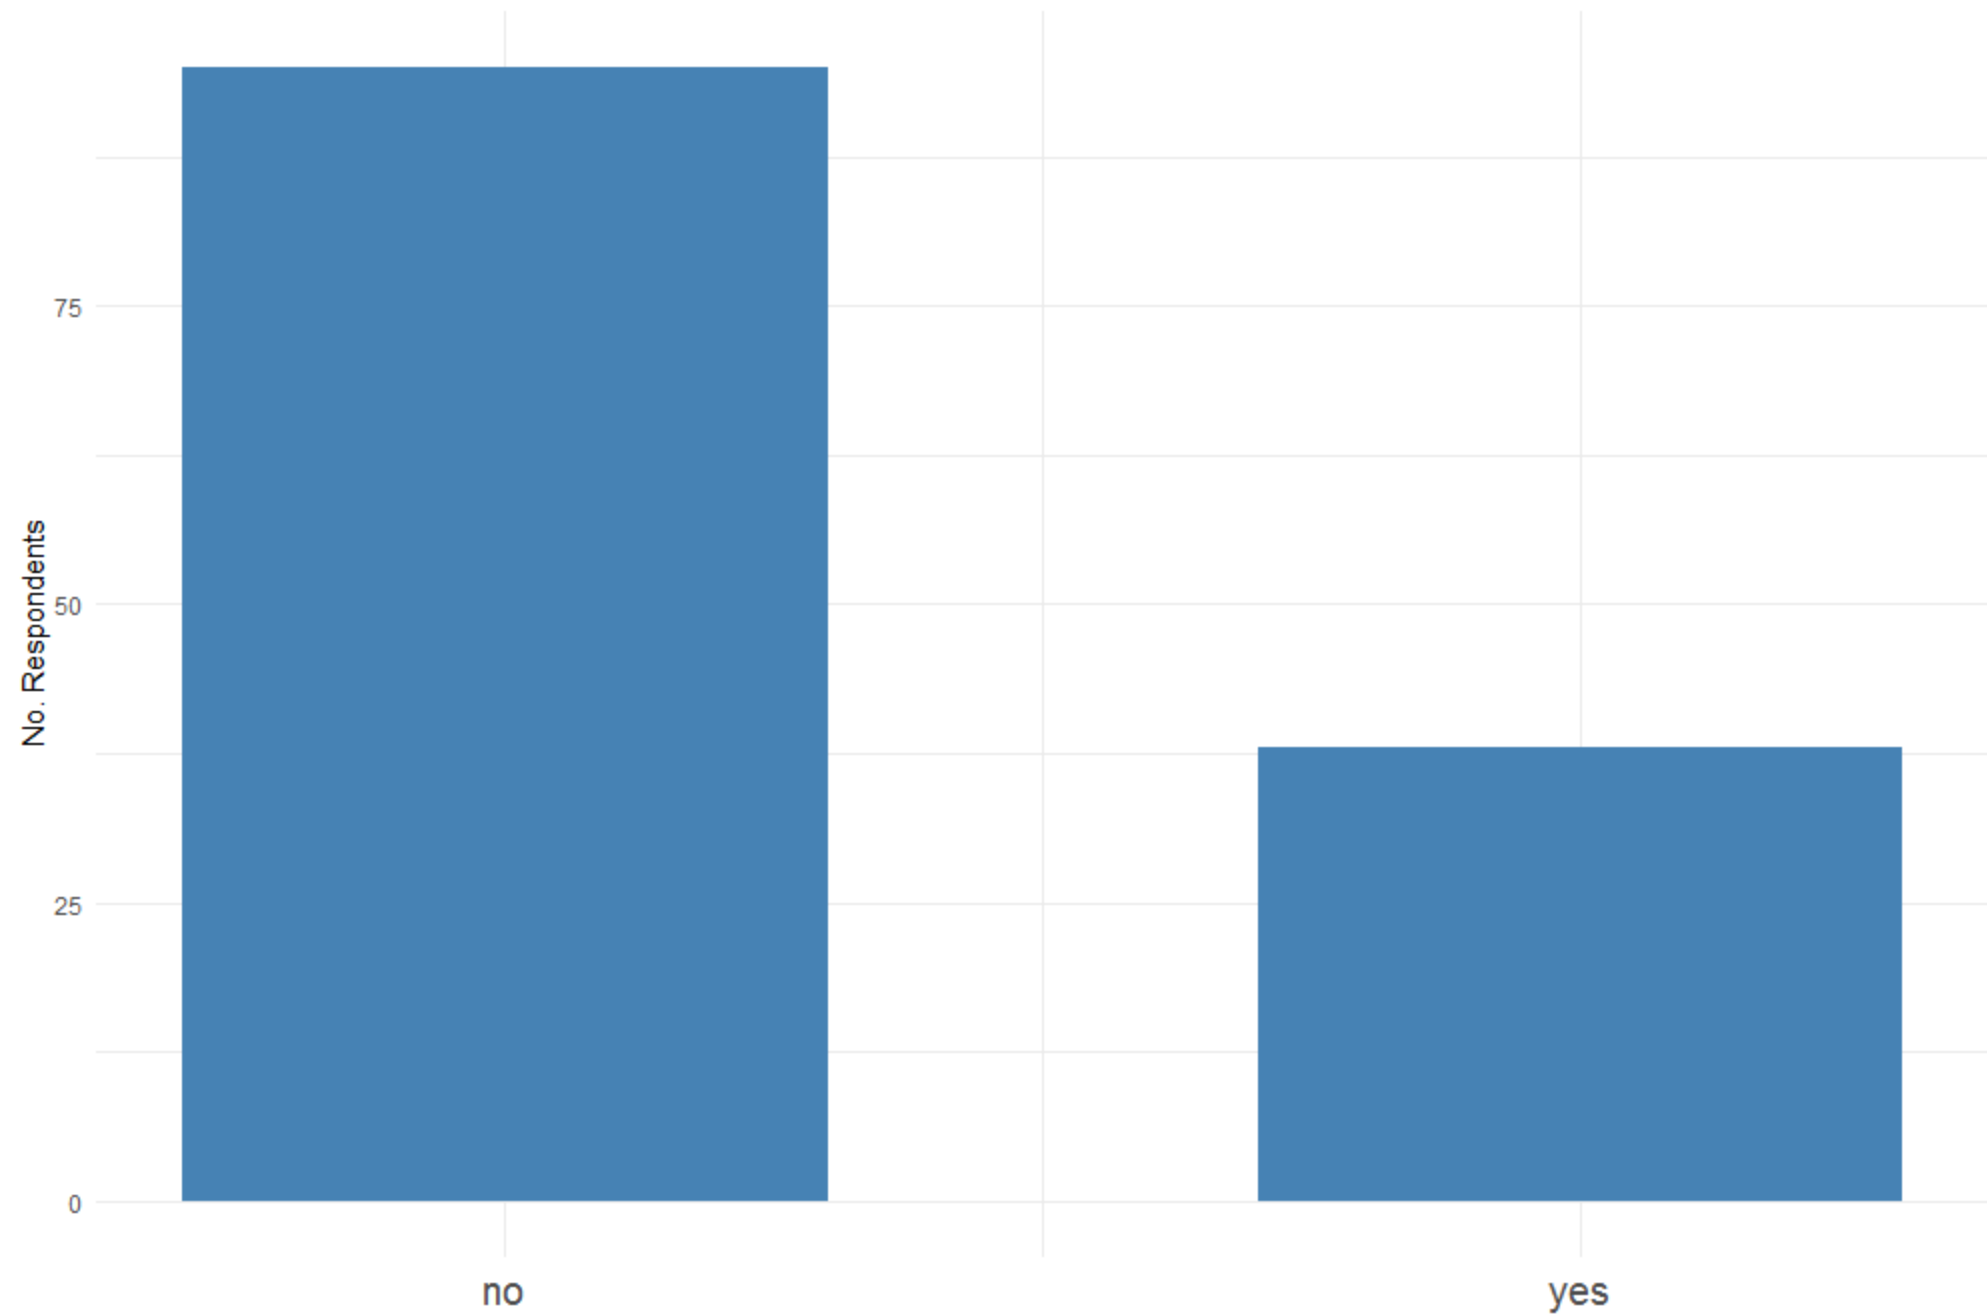

maybe not

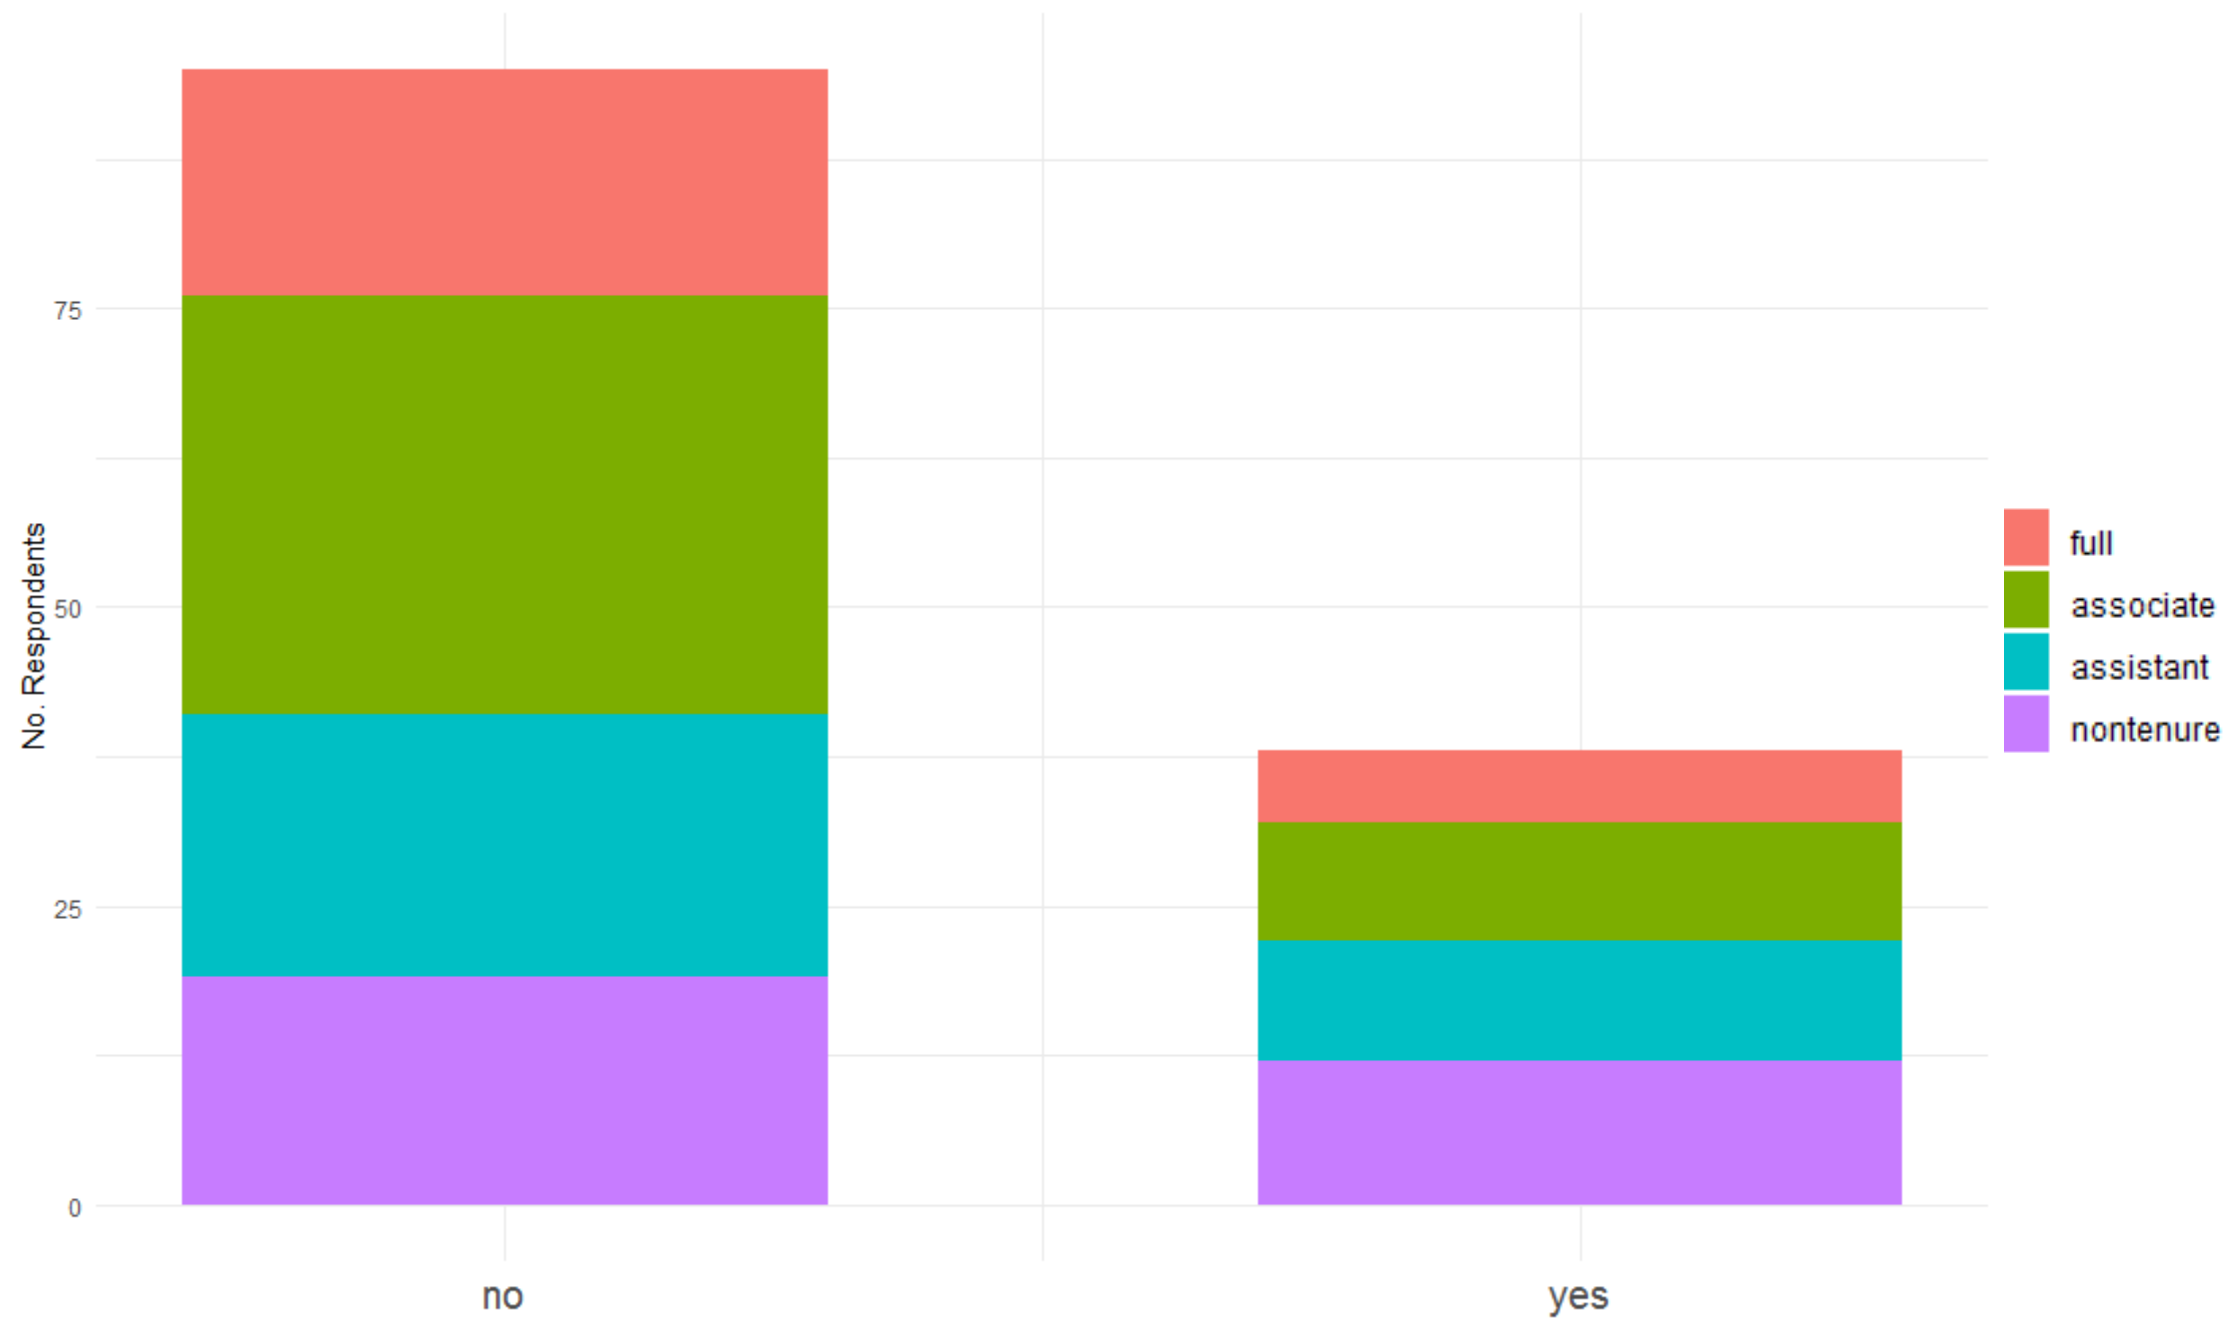

maybe yes

definitely yes

Are you willing to join a working group on this topic?
