

FACULTY MEETING  
March 3, 2023

MOTION

The Curriculum Committee (CC) moves to revise the Faculty Handbook language describing its membership. There are three proposed changes: (1) Reduce faculty membership from five members (including a Chair) to four members (including a Chair) (2) Adjust administrative roles on the committee and (3) Reduce student membership from two to one

Rationale: The rationale for the motion is as follows

1. Reducing faculty membership on CC will make it easier to staff committees.
  - o We believe that the workload will still be manageable with 1 fewer faculty member
  - o Our revised language still demands that the remaining faculty members come from different divisions, meaning that the committee will continue to be academically diverse.
2. According to the Faculty Handbook, the DOF/VPAA or a designated representative
